

# The colour concept | educational, colourful and versatile

## Children need colour:

All KEMMLIT kindergarten products are characterised by their perfectly aligned colour concept throughout. You can choose from 6 colours for handles, fittings and accessories, from 15 Bambino Klassik colours for the panels, all of which can be combined in any way, plus 4 Bambino Exklusiv themed worlds. Not only do the colours create a friendly effect, they also help the children find their way around.
